Intro: Keys

Key: G / 89

---

2-                      5sus              1              4  
V I hear your voice, it's calling me to follow after you.

2-                      5sus              1              4  
I know your heart is beckoning to find my all in you.

7b      4              1              7b      4              5sus  
I will be true till the end. Lord, I will be true till the end.

1      5                      6-      4  
C I will be faithful, Lord. I will be faithful, Lord.

1      5                      6-                      4  
I will be faithful to know you. I will be faithful to love you.

1      5                      6-      4  
I will be faithful, Lord. I will be faithful, Lord.

1      5              4  
I will be faithful to follow after you.

V In a world of empty promises, Lord, I'm longing for your truth.

Yet, a war still rages in my heart to find my all in you.

I will be true till the end. Lord, I will be true till the end.

1                      5                      6-              4  
B I will know you. I will love you. I will follow you.

(repeat)
