

I BELIEVE

Intro: Chorus

Key: G

V 2- 1/3 4 5 6- 5 4
I believe that you have given everything I need to be where you are.

2- 1/3 4 5 6- 5 4
I believe you've died and risen, and that power lives today in my heart.

PC 2- 1/3 4
So I put my trust in you, Lord, no matter where you lead.

2- 1/3 4
I surrender all again, Lord. I surrender all and sing.

C 1 5/7 2- 4 1 5/7 2- 4
Lord, I believe. Lord, I believe in you. Lord, I believe. Lord, I believe in you.

V I believe that you're Christ Jesus, and upon this truth the church will be saved.

I believe that all hell trembles, 'cause you hold the keys to death and the grave.

B 1 5/7 6- 4
I believe you're everything. I believe you're all I need.

(repeat)

B₂ *I believe you'll move my mountain, Lord. I believe your Spirit will restore.*

I believe you know my every need. I believe you heal my worst disease.

I believe you're Word is true today. I believe you do the things you say.

I believe no matter what I see. I believe my deepest cry you'll meet.

I believe you hear the prayers I pray. I believe my debts been paid by grace.

I believe I never walk alone. I believe you're God upon the throne.

I believe you'll come one day as Lord. I believe you'll reign forevermore.

I believe I'll stand with you redeemed -- and confess that I believe!
