I'll praise him in my darkness night, when I cannot find my way.

I'll praise him in the storms of life, in the shadow of the grave.

I'll praise him, for he knows my name, I'll praise him 'cause he's there.

I'll praise him for he meets my need, and he listens to my prayer.

I'll praise him 'cause he took my shame, and he's watching over me.

I'll praise him 'cause he broke my chains; I'll praise him 'cause I'm free!
